Country Oak

Country Oak character & options

Country Oak is a range of classically styled pieces made from Oak. Beauty and quality is assured, all cabinets are manufactured in our factory in Oxfordshire and each of the three finishes available is carefully applied by hand to enhance the grain and texture of the wood. Country Oak is available with two handle types (metal or wood) to allow you to choose a style to match your home's interior design.

Dovetailed drawers, sturdy plinths and standard quality features such as lockable display cabinets, integrated internal lighting and toughened glass shelves ensure that Country Oak will continue to enhance your home for many years to come.

Please note: The individual products in the living and dining section of this brochure have been photographed in the Waxed finish with metal handles. The individual products in the bedroom section have been photographed in the Waxed finish with wooden handles.

Characteristics

The wood is specially chosen with knots and cracks to create a deliberately rustic feel and appearance making each piece unique and full of character. The drawers and tops are slightly rounded on the edges to add a gentle touch.

Finishes

Three attractive finishes are available for Country Oak furniture. To order your chosen finish, please prefix the model code with the appropriate finish prefix. For example OR956 in Satin finish with Metal handles should be ordered as ORS956.

Satin: A durable silky lacquer is applied giving maximum durability and a modern finish which is smooth to the touch and has a silky sheen.

Order prefix ORS.

Waxed: A wax is applied to give a naturally textured lustre, with a traditional finish and feel.

Order prefix ORW.

Oiled: A Danish oil is applied giving a matt finish which highlights the natural grain of the wood and retains the warm natural character and feel of the oak. Occasional re-oiling may be required.

Order prefix ORO.

Handles

Country Oak furniture is available with either standard metal handles or optional wooden handles. To specify wooden handles, please add the letter H after the finish code. For example OR956 in Satin finish with Wooden handles should be ordered as ORSH956

Metal Handles Standard option.

Wooden Handles Order letter H after finish code.

Please note: If wooden handles are specified, they will match your chosen finish.

Fabric

There are several fabric options for the bedroom stool shown on page 5. Your Country Oak stockist will be happy to show you a swatch of the fabrics available.

Country Oak furniture shown in waxed finish with metal handles

Wooden Chair
 Cream Leather Seat
Model code: OR954C
 H1070 x W460 x D435mm
 (H42¼ W18 D17¼ inches)

The wood for Country Oak is especially chosen for its character. Cracks, open knots and colour variations are characteristics of the wood used to ensure each piece is unique and full of character. Selected Oak veneers are used where appropriate.

Care should be taken to avoid extremes of heat and moisture which may adversely affect the wood. As with all wooden furniture there is likely to be some movement while the wood adjusts to its atmospheric conditions.

Our policy is one of continual improvement. We therefore reserve the right to alter designs, dimensions, availability and price without prior notice. All dimensions in this brochure are believed to be correct at the time of printing, but subsequently may vary. Imperial measurements are rounded to the nearest quarter or half inch, and metric measurements are rounded to the nearest 5 or 10mm. Articles used for decoration and styling are not included with the products offered. Colours are as accurate as the printing process allows. All copyright, design rights and other intellectual property rights in our products and designs are and remain the property of Corndell Furniture Co Ltd.
